**Assumption of Our Lady**

On Wednesday we will celebrate the feast of Mary's Assumption into heaven. She was a model disciple open to God's grace. The feast celebrates the special place that Mary has in the life of the Church. This place is first of all defined by her being chosen to be the mother of Jesus, his only human parent. This alone gives her a uniqueness which is shared by no other person who has ever lived. By her assumption we can understand that Mary, because of the dignity of her motherhood and her own personal submission to God's will at every stage of her life, takes precedence over everyone in the sharing of God's glory which is the destiny of all of us who die united with Christ her Son.
