## St. Therese - The Little Flower

On the first of October we will celebrate the feast of St. Therese of Lisieux also known as the "Little Flower", lived a short life of 24 years in France but became one of the most beloved figures in the Catholic Church. Instead of performing grand, heroic deeds, Thérèse developed a spiritual philosophy called "the Little Way". She believed holiness was found in doing small, everyday acts with great love. She was canonized in 1925 and later declared a Doctor of the Church by Pope John Paul II in 1997.

**"Miss no single opportunity of making some small sacrifice... always doing the smallest right and doing it all for love."**

## Newly Blessed Bishop Fulton J. Sheen

Blessed Fulton J. Sheen was a master storyteller who wrote over 90 books and reached millions through his Emmy Award-winning television program, Life Is Worth Living. While he did not write traditional fictional "short stories," he frequently used highly engaging, short anecdotal narratives, parables, and true stories to communicate deep spiritual and philosophical truths. Archbishop Fulton J. Sheen was officially beatified on Thursday, September 24, 2026, during a historic Mass held at The Dome at America's Centre in St. Louis, Missouri. This monumental event declared him "Blessed," placing him exactly one step away from official canonization as a saint in the Catholic Church
